Protection at Cali-

Battle of Torreon Still
in Doubt; Dispatches
Censored

SACRAMENTO, March 18.—Urging additional troops to protect the California-Mexican line, following the circumstances surrounding the killing of Postmaster Frank V. Johnston at Tecate, Governor Johnson has asked the Federal government for added protection, and as a result General Murray is considering the problem. The request was passed into his hands through the War Department.

The demand for more protection is coupled with that for the requisition of Gutierrez, the bandit wanted by the California authorities in connection with the killing, which occurred on California soil and which the California authorities propose to act on following the federal investigation ordered at Governor Johnson's request. The postmaster was murdered Saturday night, at which time another man, Werner Wiedenbeck, was wounded. The bandit had raised a score of the Mountain Commercial company and the estimate sought to protect the property. Elliott Johnston, brother of the murdered man, applied to the Governor for action, and on this appeal the Governor demanded federal aid.

Major W. C. Davis, in command of Fort Rosamond, has ordered a force to be sent to Tecate, but this force, according to Governor Johnson, is not sufficient for protection.

TORREON IN DOUBT.

EL PASO, Tex., March 18.—The thousands of persons in this section whose families are locked up in the military and political developments in Mexico today awaited authentic information of the reported battle north of Torreon. In a last twenty-four hours every five-foot square of a press dispatch seemed to change the picture and over the single telegraph line connecting Juarez with the rest of the world, it was as if a great battle were being fought. It is assumed that the center of the Federal army here asserted that the Mexican army, suddenly came upon the enemy's position, and the result was a complete victory. The main line of the railway, and at Torreon.

SOME FEDERAL CLAIMS.

In the claims of the Federal army are correct. General Villa had to battle for his life and is still in a precarious position with an enemy in front and another threatening by a flank movement to cut off his rear. Telegrams assert, and there were rumors of the same effect in the rebel camp, that the first Federal detachment moved out of Torreon west of a range of mountains beyond which lies the town and the railroad. This column, proceeding in the direction of Parral, said to have come upon the rebel General Urbina at Rosario, and the latter was forced to retreat pending the arrival of reinforcements. Rosario is 110 miles from Torreon.

MAN HUNT OCCURS
IN HOTEL OAKLAND

Inspector Agnew Cap-
tures Alleged Passer
of Bogus Check

An exciting man hunt through the corridors and hallways of the Hotel Oakland was terminated this morning when Captain of Inspectors, Lou F. Agnew worked a coup by using the freight elevator and captured E. D. Bache, an alleged check-passer. Bache has been staying as a guest at the Hotel Oakland.

Bache is alleged to have given a check for \$5 to Lynne Stanley, a local haberdasher, made out on the Humboldt Savings Bank of San Francisco. The check was returned marked "no account."

Stanley told House Detective Carter of the matter and Carter, who was on duty at the time, went to the hotel and captured Bache. Bache was taken to the police station and is being held there. Agnew, who rode to the eighth floor of the building in the elevator, on arriving, Agnew leaped out and dragged Bache into the elevator and gave the signal to descend, having escaped his prisoner.

"Astor" Had
No Money to
Pay for Taxi

SAN FRANCISCO, March 18.—"Vincent Astor" was in Police Judge Crist's court today charged with defrauding an automobile driver. "I didn't have a cent to pay my chauffeur," explained "Astor." "It is an awfully awkward situation, don't you know? My father has a hundred million and here I am without a nickel to pay my just obligations. I don't know just what I can do. It's awfully tough on a fellow, don't you know?"

Patrolman Casey arrested Astor on complaint of Walter Francis, a chauffeur. Casey declares that his prisoner is possessed with the delusion that he is the Vincent Astor of New York who has recently wedded and who is the son of Colonel John Jacob Astor, who lost his life in the Titanic tragedy.

"The worst of it is," said Casey, "he seems to almost get away with it on 'his' doesn't he?"

Police Judge Crist continued Astor's case for one day.

Annulment

Charging that the police forced her to wed, threatening her with prosecution and imprisonment if she refused to enter the bonds of matrimony, Mrs. Clarence E. Tupper No. 2, filed suit for annulment in the superior court in San Francisco this morning. Almost a month ago, when the recording of the action in the county clerk's office, Tupper herself appeared before Police Judge Shortall on a charge of bigamy, of which the complaining witness is Mrs. Clarence Tupper No. 1, who resides at the Harrison apartments, Ninth and Harrison streets, Oakland.

Tupper formerly lived and worked in Oakland and disappeared leaving his wife ten months ago. The woman was heartbroken, mourned him as dead and was confronted with him at San Francisco police headquarters two weeks after the detective department had received information of the whereabouts of her desertion.

CLUE MAY LEAD
TO BANK ROBBERS

Powder Marked Bank
Notes Paid on Bill
in Alvarado

Information that may lead to the detection and apprehension of a gang of bank robbers who have been blowing safes in various places throughout the state for the last eighteen months came to the attention of Sheriff Barnett today when he received from an Alvarado storekeeper several bank notes which had been paid on a bill owed by a Chinaman. Recently a Chinaman, whose identity is somewhat of a mystery, walked into the Alvarado store and paid a bill with one \$20 bank note and three five notes issued by the San Fernando National Bank in Los Angeles county. The notes were powder marked and slightly scratched. The storekeeper noticed this and believed that they had gone through a safe-blowing affair. He communicated his theories to Sheriff Barnett. The sheriff then communicated with Sheriff W. A. Hammel of Los Angeles, who found that the bills had been paid recently when new to a man by the name of Farrington, who resides at Mono Lake, Mono county, where he is well known. The authorities will endeavor to trace the notes from the time they were in possession of Farrington until they were paid by the Alvarado Chinaman.

SCORES POINT IN
THE DROWN CASE

District Attorney Ob-
tains Answers to Hy-
pothetical Questions

From the lips of two physicians called by the defense for the purpose of supporting its theory that Mrs. Millie Drown was insane when she shot and killed her husband, Archer C. Drown, last October, District Attorney Hynes today obtained an affirmative reply to a hypothetical question, the contention of which would be that the defendant was sane. It was a well-planned coup on the part of the prosecution and caused considerable speculation as to what its effect would have upon the jury in its coming up of the vast amount of testimony which has been presented during the three weeks of the trial. The question was asked of Dr. H. C. McClenahan and Dr. Otto G. Freyermuth under cross-examination on the witness stand this morning. In framing the question the district attorney related the unvarnished story of the crime and touched briefly upon the history of the principals in the tragedy without going into detail as to the possible inherited characteristics of Mrs. Drown.

"He came in, all dolled up, with a fuzzy green hat, and we all looked at him. Usually we don't do so, for so many customers pass by we wait on them all politely, and as a matter of business, however, we looked twice at his repellent get-up, and thus we recognized him."

That's how Miss Eva Morgan and Miss Rose Silva, pretty shop girls, recognized the man who had stolen a shirtwaist from their counter a week before, and who placed in the hands of the police alleged leaders of the shoplifting gang that has been puzzling the police about the bay for months. Charles W. Irwin and John D. Joel are the two suspects now being held. Irwin in Oakland and Joel in San Francisco.

A bold attempt to secure a refund on a stolen shirtwaist led to the arrest, and the police declare that but for the common sense of the two girls the men might have never been caught. Irwin was the man recognized and arrested by the girls, and Joel went to San Francisco following.

It is believed that the two men are wanted in many cities.

GANGS WORK EXTENSIVELY

The gang, of which the two men are believed members, has been operating for the past two months, stealing from the bay cities.

CANAL TOLL

Gave Way on Canal to

Doctrine

WASHINGTON, March 18.—The broad charge that President Wilson determined to ask Congress to repeal the Panama tolls exemption as a consequence of his recent conference with Sir Lionel Carden, British minister to Mexico, and that the President's action was the culmination of negotiations with Great Britain for the preservation of the Monroe Doctrine, threatened by the Mexican situation, was made in the Senate today by Senator Jones, Republican, of Washington. He was speaking on his pending resolution calling on the President for full information on the tolls controversy.

Senator Jones intimated that a repeal of the tolls exemption was the price of non-interference in Mexico by other foreign powers.

He further declared that "It is reported as one of the conditions that Great Britain will seek reparation on its losses through Confederate bonds issued during the civil war, by a plan sanctioned by this government, under which, if successfully applied, the burden of reparation will fall on the southern states. For that reason, Senator Jones, maintained developments had shown there was a basis."

"What is the foreign policy that requires such humiliating, cowardly, craven action on our part?" The senator demanded. "What are delicate matters that demand this humiliation, this price? Have we become so inert, so weak, so supine, so servile, that the Monroe Doctrine must

FOG EXPECTED TO
COOL SUN'S ARDOR

Weather Bureau Pre-
dicts Heat Wave Will
Soon Disappear

Today's temperature 82

Fog which is expected to blow gently in from the Pacific tonight, should bring with it a cool breeze resulting in a cessation of the present warm weather for Oakland and northern California in general. In the region south of the Tehachapi mountains the mercury has already dropped and it was much cooler in and about Los Angeles today.

The fog bank which was responsible for a lessening of the heat in the south, did not extend far north and in consequence the proverbial third warm day is being experienced throughout northern California.

The record yesterday was held by Pomona, where the mercury registered 88 degrees in the middle of the afternoon. There was a quick drop in that section due to the ocean breezes, and at 3 o'clock this morning the temperature was only 44. Los Angeles, which had registered 84 dropped 40 degrees to 54. In Oakland where 85 was yesterday's official temperature, the mercury stood at 3 o'clock this morning at 66 and then began a steady climb.

All of the interior cities are reporting warm conditions. Sacramento registered 82, Red Bluff 80. San Jose registered 80. Fresno 78. Modesto 76. Chico 74. Colusa 72. Marysville 70. Yuba City 68. ONE FOREVER ARE DYSPETIC DAYS OF OLD

The Simple, Safe, Sure Use of Stuart's Dyspepsia Tablets will Bring Joy to Any Stomach Sufferer in An Easy, Comfortable, Dietless Way.

How many quiet, afraid-to-make-a-noise, unhappy homes there are due to chronic dyspepsia, the most common of all ailments. Such men and women cannot help their peevishness for they suffer terribly and should not be censured. A stomach that is irritated, raw, rebellious and not fit to do its work is certainly the cause of constant dragging down and even excruciating agony.

No one should blame such a person for ill temper and silent moodiness. Ever and always is that dead, gone, sour feeling at hand to curse every waking hour.

Dyspepsia, bad breath, gastritis, catarrh of the stomach, pains in bowels, nervousness, heartburn, belching, bloating, etc., come from wrongful conditions of digestive juices. There is nothing to correct these horrors until these juices are again replenished.

When the system exhausts its juices, the stomach becomes thereby unfit to furnish the proper digestive fluids, one cannot eat this same system, without aid, to do anything else than keep on making their improper digestive products.

Such a condition means all manner of suffering, and unquestionably fatal dangers in such delay.

There is relief in Stuart's Dyspepsia Tablets that means a restoration to normal health, a building up of correct digestive juices and an absolute harmlessness in the method and its result.

Stuart's Dyspepsia Tablets contain quantities in just the right proportion to build up the weakened gastric juice. When the tablet reaches the stomach, it readjusts matters quickly, balances acids and alkalies and stops pain, suffering, etc.

Other ingredients have just as important effects upon the intestines as well as the stomach and thus in a remarkably short time stomach ills, indigestion, etc., disappear.

Go to your druggist today and obtain a box of Stuart's Dyspepsia Tablets, price 50 cents.

Winter's Chills Breed Kidney Ills

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsillitis, quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. Though serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

"Every Picture Tells a Story" Spring is Breaking; Backs are Aching

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs;—lame back, sharp pains when stooping or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

OAKLAND PEOPLE TESTIFY OAKLAND CASES SELF-TOLD

<p>East Fourteenth St.</p> <p>Mrs. Emma Y. Baird, 9324 E. Fourteenth street, Elmhurst, Oakland, says: "Five years ago I suffered from a severe attack of kidney complaint. It came on quickly and I believe was caused by overwork and drinking impure water. We were working in the fruit at the time and I helped to lift the boxes, which affected my kidneys. My back, right over my left kidney was very painful and the kidney secretions were in bad shape. I had always had good health and didn't want the trouble to get permanently seated. Hearing about Doan's Kidney Pills, I began using them and improvement soon followed. After I had used four boxes, every symptom of kidney trouble left me and I was well. I haven't needed a kidney medicine since. Many people have tried Doan's Kidney Pills on my advice."</p>	<p>San Pablo Avenue</p> <p>Napoleon Morin, shoemaker, 2419 San Pablo ave., Oakland, says: "For a long time I had pains in my back, over both kidneys and the kidney secretions were so frequent in passage that my rest was broken. When I tried to get up from a chair, sharp pains darted through me. At night I was annoyed by having to get up on account of kidney weakness. I left out of sorts and was discouraged by my failure to find relief until I took Doan's Kidney Pills. They helped me from the first, and the fact that I have remained cured, is the reason I always recommend them."</p>	<p>East Eleventh St.</p> <p>Mrs. B. House, 2610 East Eleventh St., Oakland, says: "About eight years ago I was suffering terribly from pain in my back and limbs. My kidneys were disordered and I felt tired and run down. Relief came soon after I used Doan's Kidney Pills and by the time I had finished six boxes, I was cured. Since then, when I have taken cold and have noticed the least sign of the old trouble, I have taken a few doses of Doan's Kidney Pills and the ailments have left me. I take pleasure in again recommending Doan's Kidney Pills."</p>	<p>Thirty-seventh St.</p> <p>George R. Scott, retired carpenter and builder, 688 Thirty-seventh St., Oakland, says: "For seventeen years I was in poor health and I couldn't get relief. I finally got so bad I had to retire from business. During all these years I suffered greatly and had almost given up the attempt to get relief when I read about Doan's Kidney pills. They helped me so much that I continued using them. I am now feeling better than I have for years. The kidney weakness has left me and my back is in much better shape."</p>	<p>West Street</p> <p>Mrs. S. Carlson, 3831 West street, Oakland, says: "Off and on for several years I was subject to attacks of kidney complaint. The worst trouble was pain in the small of my back and it seemed at times as if my back would break. During winter and wet weather, the trouble was always worse. Together with the backache, I was often annoyed by headaches and dizziness. I doubted whether doctors understood my case or not, for the medicine they gave me didn't help me. I heard that Doan's Kidney Pills had been recommended by a physician and I tried them. The pain in my back left me and I was relieved of all the other troubles. I haven't had a sign of backache or kidney trouble for two years."</p>	<p>Twenty-fifth Avenue</p> <p>J. Lee, shoemaker, 2338 Twenty-fifth ave., Oakland, says: "Twelve years ago I began to have trouble with my back and kidneys. At night I was annoyed by pain across the small of my back. I also had that trouble during the day. I had pains in my hips and head. The close confinement and sitting for hours at the bench in a stooped position, I believe, caused the trouble. I lost weight and had trouble from too frequent passages of the kidney secretions. At last I heard about Doan's Kidney Pills and from the time I began using them I noticed improvement. I continued taking them and was benefited in every way."</p>

on the result of the meeting today of leaders of each party. The Republicans at their state convention recently proclaimed a platform and a national Democratic platform to meet them for a Congress, a promise to amalgamation. J. R. Handley of Wheeling, Progressive state chairman, has instructed Progressives not to attend today's meeting.

If a woman marries the wrong man it is because the right one failed to ask her.

By All Means Go Today.

You people who are not taking time to visit the City Planning exhibit are missing much pleasure. Worse than that, you are missing education. And just the kind of education which all of us need to round out intelligent action when the constant problems of civic improvement come up for decision.

We earnestly urge you to go to the exhibit. Perhaps you do not know that Oakland is the only city in the country, except New York, that has had this exhibit on display. Perhaps you do not know that the exhibit is the work of the most famous architects, artists and city planners living today—that it is the result of professional skill and creative genius which command the admiration of the world, and which have only to name their own remuneration to have their services snapped up eagerly.

You ought to be glad to see this exhibit if it cost the price of half a dozen operas. It is a whole lot more entertaining and more valuable than the most expensive of the city's amusements.

Make a visit to the City Planning exhibit part of tomorrow's engagement. Ring up friends and get together a party. Some of you folk who have automobiles and time to spare gather up three or four acquaintances and take them with you.

We are ashamed to say that the attendance has been small. This is not creditable to Oakland or the sister cities—not at all. It does not speak well for our civic pride or for our intelligent interest in what the big world is doing.

Go to see the remarkable exhibit today. Don't put it off. Leave the dishes in the sink. They'll keep. Put on your bonnet, go over after your neighbor and head for the City Hall. This paragraph, we forgot to say, is for ladies only.

Talk about wonders! Next Saturday is Orange Day, and the Hibernians are going to celebrate it along with everybody else.

We regret to say that the Sunspot Express has not been running on schedule for some weeks, owing to unavoidable weather conditions.

Apparently there are no spots on the sun these days.

Must Make the Best of It.

It may not be pleasant to put another half million into the Auditorium, and we haven't a word of blame for those who are indignant. But we don't see how we can possibly afford to leave the Auditorium unfinished. That would never do.

It is consoling to think, too, that nothing like graft is responsible for the added cost. The worst that can be charged is bad judgment in estimating. The money has been honestly spent and if we do have to raise another half million, we will at least have a million-dollar building to show for it. And it may be that in the long run it is just as well to have that kind of building. For Oakland is growing like a weed and will need a big auditorium in no time.

We haven't a word to say against those who find fault with the wrong estimate. But we do hope that everybody will see the absolute necessity of going ahead and completing the great structure, wrong estimates or no wrong estimates. There is the consolation that the money will be spent in Oakland, among Oakland contractors and Oakland supply men and Oakland mechanics. It will not get away from home, anyway.

Revised Version in Order.

Rev. Frank Goodspeed has gone Moses ten better. The Oakland preacher's new commandments are all directed to women.

We have no fault to find with Mr. Goodspeed for issuing a new set of rules, though personally we prefer the diction of Moses. But as a censor of current literature, if not of other folks' morals, we must point out that the Reverend Frank has used an indefensible phrase in speaking of an unmarried virgin as an "old maid."

There are maids in Oakland, of course, but no old ones. Bachelor girls of forty and upwards are not unknown. But an old maid, never! The unmarried ladies of this favored spot on the footstool, Mr. Goodspeed, are never old. No Oakland woman is ever older than she looks and many, we know by their own testimony, are not half that old. And "old maids" became extinct in that remote era when slit skirts attracted attention by revealing what are now commonplace, whether the wearer likes them striped, clock-patterned or a shade to match the skirt.

We suggest that the new Ten Commandments would be improved by a little hemstitching.

The funniest things in print are these English newspaper comments on baseball. They bring tears of pure joy. The chief complaint the English critics have is that the game is too childishly easy to play, and that tea is not served between innings.

New York millionaires, departing from this vale of tears in 1913, left behind them footprints on the sands of time worth over a billion dollars. It must be painful to say good-bye to such wads of money.

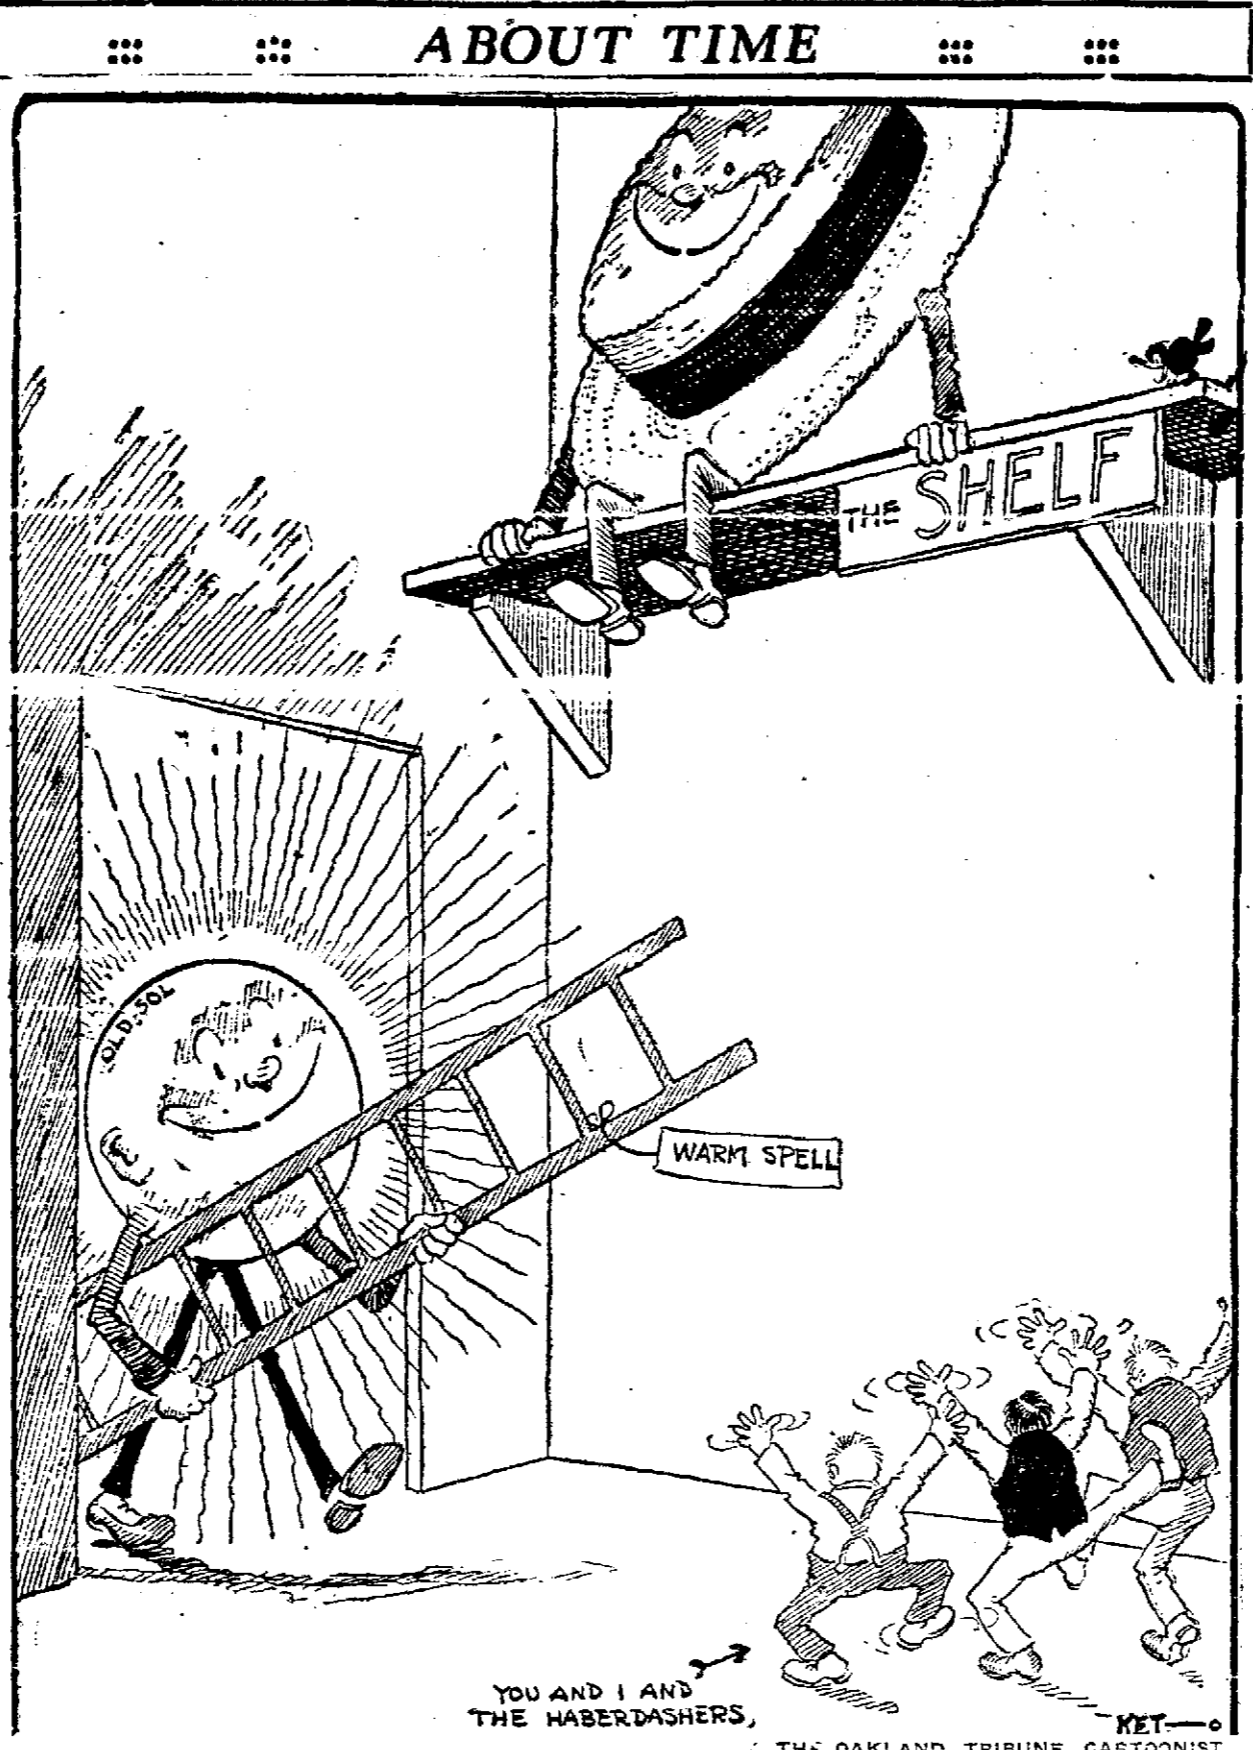

Disgusting All to Sensible Persons.

Some foolish preachers and silly women went over from Sacramento the other day to encourage the remnants of Kelly's "army" to keep on making nuisances of themselves and to exhort them to remain idle while the farmers and orchardists are at their wits' ends for help.

It is hard to imagine the processes of such intellects. The most charitable assumption is that they are just fools for lack of plain common sense. If they were not, they could see that their advice and encouragement to these misguided men could only lead to hardships for them and trouble and expense for everybody else.

There are plenty of deserving men in Sacramento, and deserving women and children, too, who need every ounce of sympathy to offer. The preachers and women who crossed the line to snivel over Kelly's idle men would do better to begin their charity at home.

Unlike to be severe with foolish persons, but we must say that the performance at Sacramento did fill us full of utter disgust.

A Financial Scarecrow Unseated.

Strange to say, although some of our Eastern exchanges have made of the failure of the great Seigel interests in New York cause for complaint of the "times," no one of them undertakes to offer a lucid explanation. Briefly, the Seigel troubles had nothing whatever to do with the "times," and the failure of the great mercantile institution has been centered in the over-investment of capital in a concern that could not pay interest on the widely borrowed money that was necessary for upkeep and outstanding interest. In addition, the Grand Jury is now looking into the methods of operating the Seigel banking and its subsidiary companies.

There are a great many things that have to do with "times." One of the greatest menaces of all business periods is the fellow who helps make HARD times. He will give political or any other excuse for the planting of his money in a tin can, and will pose as a little brother to the knocker who plants coin in a safe deposit vault and refuses to invest because he thinks that the "times" are influenced by some economic instead of physical condition.

If he looked at the physical condition of the "times" he would find that his pinching of the dollars is unnecessary. The good things we have in the United States are more prolific today than ever before. Our trade is increasing and our bank showings extraordinary. With all this we have the "hard times" fiend with us. He gloats over the chance to tell you how the Panama-Pacific exultation is going to be a failure; how the Eastern railroads are discharging thousands of men (which they are not), and that the "army" of the unemployed numbers "tens of thousands in the bay districts alone." When he reads of such unfortunate occurrences as the failure of the Seigel firm he almost gleefully points to the occasion as a demonstration of our country's financial weakness, East and West, and gives this as a reason for the "hordes who are today seeking work."

Recourse to Dunn's or Bradstreet's reports would soon settle the question of general business standing. While there has been, principally through the long, loud howls of the men who are easily discouraged, a slight depreciation in business, the reports show that the resources, like opportunity, are there for the men who will go and get them.

Elements of danger, financial or otherwise, are invariably introduced by panicky persons. The disaster that causes death to scores in a theater are of exactly the same equation as the panic that some fool starts on a business institution.

Happily in California we can view the Eastern situation, dunce-made as it appears to be, with a smile. Ours is a land of plenty, with a greater plenty in sight. No matter what may be our temptation to deviate from the "safe and sure" for that which is engendered by political or other hatreds, we should avoid pessimisms.

Regulation of our national troubles on a sensible line—the halloo being the best spirit level—will leave for us in state and nation a broader field for enjoying that which we have created. There is no use trying to beat down Progress with a sledge, with the simple purpose of gratifying whims that have become menaces to political economy, business acumen and domestic fortitude.

NEW THEORY OF KNOCKOUT

and it is supported by other medical authorities—the mechanism of the phenomenon attending the "knock-out" blow on the lower jaw in boxing. These phenomena have been variously attributed to a sudden displacement of the brain or the cerebro-spinal fluid, or to the shock of the blow on the chain is transmitted through the temporary paralysis of the jaw, from its relation to some of the internal ear.

FAME'S PATHWAY

It is reported that Charles M. Schwab intends to build a magnificent country home in Alhambra, twenty miles east of Los Angeles.

He will lay out an extensive estate, including golf links, polo grounds, tennis courts, outdoor bowling alleys and an open air swimming pool.

It is said that the cost will be \$1,000,000 or more.

Senator M. M. Teller of Colorado left his entire estate to his widow. His will was found by the son, Bruce Teller. Teller's estate will not amount to more than \$100,000, according to the son. It consists, for the most part, of mining property in the Gilpin district surrounding Central City, where Senator Teller is located upon coming to Colorado.

Despite the fact that the former Miss Nancy Leishman and her husband, the duke of Cray, are not in favor of the court because of the duke's marriage to the daughter of the former American ambassador to Germany, the Crown Prince called upon the duke and duchess recently and took tea with them at the Esplanade hotel.

This is the first visit of the duchess to Berlin since her marriage. It is now rumored the crown prince will intercede with the kaiser and attempt to have the American duchess and the duke restored to court favor.

CASCARETS FOR COSTIVE BOWELS

Headache, Sour Stomach, Bloating and Bad Taste Gone by Morning.

Get a 10-cent box now. Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headache come from a torpid liver and clogged bowels which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a still barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know the difference. Their faces assume a good, gentle cleanness, too.

FRUITVALE, March 18.—All phases of mothers' work were discussed at a meeting of the Fruitvale Women's Christian Temperance Union at an important evening session yesterday afternoon while an evening session was devoted to a talk by Dr. A. C. Bane, superintendent of the California Anti-Saloon League on "The Saloon." Musical selections were given at intervals in the addresses.

The afternoon's meeting which was held in the Fruitvale Methodist church was attended by a large gathering of women who evinced great interest in the discussion of the problems which confront mothers in the care of their children. Mrs. Eva Barrett, who is performing good work among girls spoke on "The Saloon as a Social Evil." She said that the saloon is a place where the young and unprotected girls of the straight and narrow path.

Addresses were also made by Rev. R. L. McHatten of the Fruitvale Christian church and others of the platform party. Dr. Bane's address was also heard by a large audience.

3 KILLED, 7 HURT IN FERRY CRASH

Hudson River Boat Ithaca in a Collision With Tug; Panic Ensues.

NEW YORK, March 18.—Two persons were killed and seven injured late yesterday when the Lackawanna Railroad ferry boat Ithaca was crashed into by a railroad boat being towed down the Hudson river by a Central Railroad of New Jersey tug. All the killed and injured were passengers on the Ithaca.

The dead: H. J. Myers, Montclair, N. J.; George F. Smith, Glen Ridge, N. J.; Ralph Williams, Orange, N. J.

There was a panic on board the Ithaca immediately after the collision, but the crew quieted the passengers.

Shrieking of whistles from many river craft brought boats from all directions and the damaged Ithaca was escorted by a large fleet to her pier.

The collision occurred when the view of the pilot of the Ithaca was obscured by the passing of another ferry boat. The Ithaca and the boat suddenly came upon one another from behind the other boat, and the Ithaca was struck in the line of the impact. The result of each was crushed.

BELL BOY SAVES HOTEL'S VALUABLES

Gives Alarm Just as Clerk is About to Hand Over Contents of Safe.

CHICAGO, March 18.—While a companion guarded their automobile a robber early today entered the Briggs House, one of Chicago's oldest downtown hotels, shot and slithily wounded an assistant manager, took \$150 from a cash register and fled just as the night clerk had opened the safe and was about to hand him the \$5000 which it contained. The bandits then drove rapidly away from the hotel.

"On the safe and hurry," ordered the robber after P. D. Greenwood, the night clerk, had handed over the money in the cash register.

A bellboy overheard the robber's order and ran for assistance. William Sturmer, assistant manager, and Fred Bagel, a steward, rushed to the lobby just as the clerk had opened the safe and was about to reach for the money and jewels belonging to the guests. The robber heard them, turned and fired five shots at them. One shot struck Sturmer in the left leg.

Parishioners of the First Methodist
Episcopal church of this city will
greet Miss Elsie Wood of Lima, Peru,
this evening at the regular weekly
prayer meeting. Miss Wood will ad-
dress the congregation upon the
theme, "The Neglected Continent—
South America." For many years she
studied the people and conditions in
that country and is considered an
authority upon that subject. It is ex-
pected that a large number of mem-
bers of the parish will welcome the
visitor, who will be introduced to the
local public by Rev. George W. White,
pastor of the local church.

MERCY ME, WHAT IS THAT?
SILENCE BE, IT IS THE CAT

A little runt kitten caused a lot of trouble last night.
Mrs. C. J. Leighton, 5812 Keith avenue, was looking from her win-
dow when she saw a man acting in a mysterious manner in front of
the house across the street. He started to walk, then stopped, then
walked down again, walked down the pavement, dodged behind some
bushes, then walked back into the yard and around to the rear of the

Mrs. Leighton telephoned to the police.
Sergeant Michael Byrne summoned Patrolmen Hayes and Long and
leaping into the patrol wagon rushed to the scene. He stationed his
men in front and at the rear of the house and then thrust forward at the
door for admission.

John Schulte, 5970 Keith avenue, came to the door and asked what
the men wanted. They explained that they were looking for a man who
"was coming home," he said, "when I noticed that my little girl's
kitten had got out in the street, so I captured her behind a bush and
sent her to the basement. There's it."

KAHN SAYS U. S. LOSING ITS POWER

Vaccillating Policy of Adminis- tration Alleged to Be De- stroying Prestige.

WASHINGTON, March 18.—In a
bitter attack upon the administration's
foreign policy, the fruit of which he
said had been misunderstanding, dis-
trust, vacillation and humiliation,
Representative Kahn of California
late today warned the House against
the pending bills to repeal the
tolls exemption provision of the Pan-
ama canal act. He cited several in-
stances which he declared conclusively
proved that England would not
yield if she were in a position similar
to that of the United States and said
"her history is replete with instances in

refused to yield her inalienable
rights."
This, the greatest of all the world's
republics, has grown to be in one
brief year of Democratic administra-
tion, the parish of the nations," Kahn
declared. "Under the blight of its
foreign policy we stand today isolated,
deserted, alone. It is a humiliating
confession, but its truth cannot be
gainsaid."

FOREIGN RIGHTS.
"We are calmly told not to consider
whether we be right or wrong in our
interpretation of the Hay-Pauncefote
treaty. As a matter of expediency,
and in order to save the face of the
administration we ought to forego our
rights—so says the President—no
matter what great economic or gov-
ernmental principles may be involved—
principles that may vitally affect
the prosperity and welfare of the
American people."

The speaker expressed his belief
"that no people on earth that have a
due regard for the opinions of man-
kind would be willing to sell their
brightest for such an unpardonable
mass of putrefaction." He said, "Sir
Edward Grey has forgotten
or did not fully investigate the
circumstances that compelled his gov-
ernment to abandon the system of re-
bates that had been granted Canadian
shippers and shipowners in violation
of the treaty of Washington. He is
entirely mistaken when he asserts
that the system was abandoned in the
face of our protests."

TOLLS EXEMPTION.
It was retaliatory legislation upon
the part of the United States, Kahn
declared, that compelled Great Britain
to abandon her position in that instance.
Kahn insisted that if the tolls ex-
emption was repealed it would re-
sult in additional demands upon the
United States by foreign nations.
There shall be no fortification of
the canal," he said. "The far is," he
said, "Sir Edward Grey has forgotten
or did not fully investigate the
circumstances that compelled his gov-
ernment to abandon the system of re-
bates that had been granted Canadian
shippers and shipowners in violation
of the treaty of Washington. He is
entirely mistaken when he asserts
that the system was abandoned in the
face of our protests."

FEARS BRITISH INFLUENCE.
PHILADELPHIA, March 18.—As-
serting that the adoption of the "Brit-
ish view of the Panama canal regula-
tions" would be the thin wedge which
sooner or later would mean that the
canal would be controlled from Lon-
don instead of Washington, United
States Senator Ashurst of Arizona, in
speech at a St. Patrick day banquet
here last night, voiced his opposition
to the repeal of the exemption of
American coastwise shipping from the
payment of tolls.

"It does not require the services
of a soothsayer," he said "to foretell
that if we should yield to Great Brit-
ain on this point, the inexorable logic
of the situation would compel us to
yield to Great Britain on other points,
and on this question is simply the
initial move on her part of a series of
moves yet to be made by her looking
to the degrading of our country at
Panama from her position of sovereign-
ty to the position of toll keeper."

**THOUSANDS CARED FOR
AT MEMORIAL HOTEL**

CHICAGO, March 18.—More than 27,
000 men were sheltered in the Rufus F.
Dawes Memorial Hotel during the first
two months of the war. The hotel
meals were served at a rate of a little
more than five cents each, according to
a statement made public today by Charles
G. Dawes, a banker, who opened the ho-
tel on January 1 as a memorial to his
son.

The looking prices charged by the ho-
tel are five and ten cents a night. This
entitles lodgers to shower baths and a
night's sleep in a "sanitary" bed, the
covers of which are fumigated daily.
The hotel was operated at a deficit of
\$53 the first two months. About 500
men were cared for nightly, according to
the report.

the jagged edge of the rocks today.
There was no hope of saving the ves-
sel.

JURY'S REPORT IS JUROR'S DEFENSE

Joseph Osborn in Case of Fac- tory Murder Explains Ver- dict of Conviction.

ATLANTA, Ga., March 18.—The
verdict convicting Leo M. Frank, the
pencil factory superintendent, of the
murder of 14-year-old Mary Phagan, was
defended yesterday in a statement
by Joseph Osborn, one of the jurors.
Plead by three Atlanta ministers last
Sunday for a new trial for Frank,
sentenced to be hanged April 1, called
forth the juror's statement. The min-
isters asked a new hearing on the ground
that public feeling was inflamed against
Frank, and that the jury was not free
to do its duty.

The juror's statement was strongly
corroborated by sworn witnesses, as well
as by circumstantial evidence in every
point which influenced the mind of the jury.
"The jury heard all the testimony and
claim to have sufficient intelligence and
honesty to have weighed the evidence
without prejudice."

"The testimony was strongly cor-
roborated by sworn witnesses, as well
as by circumstantial evidence in every
point which influenced the mind of the jury."

**MAN WANTED BY S. F.
PRESS CLUB ESCAPES**

SAN FRANCISCO, March 18.—J. H.
Waterbury, wanted here for embezzling
\$2000 from press club officials, has once
more escaped the vigilance of the police.
New York, after he had been located by
Detective Sergeant Prohl. This morning
Prohl received a wire to the effect that
Waterbury had forfeited bail and made
his get-away.

Evidently the authorities after taking
him into custody had allowed him to give
a bond. Prohl was about to start East for
the prisoner when he received the mes-
sage.

"I'll get him again," said Prohl, "and
there won't be any ball next time."

staging the start of this race, and the
Aero Club in Oakland, Cal., also had
a bid.

band with cruelty and asking for an
accounting of \$2000 of her money,
which he had loaned Hopley for invest-

Veteran of Two Wars Succumbs While Writ- ing Life History

After an illness of several weeks, Ma-
jor Edwin Allen Sherman, veteran of the
Mexican and Civil wars, died yesterday
afternoon at his home, 1728 Franklin
street, where he had resided for many
years. Inflammatory rheumatism was the
cause of his death, which has come as a
shock to this community where he had
passed the greater part of his life. Al-
though his physicians had reported that
he was improving and they entertained
hope for his recovery, the extreme heat
of the past few days oppressed him and
hastened the end. The Major was in the
midst of completing his biography, which
he started several years ago and which
he was writing by long hand. He was
entering his eighty-fifth year and was
one of the oldest living members of the

WAS NEWSPAPERMAN.
Major Sherman was born in North
Bridgewater, Mass., August 25, 1829,
where he received his early education.
At the age of 14 he went to Chicago
and entered newspaper work as a re-
porter on the Chicago Evening Journal.
In 1846 he enlisted in Company A, Eight
Infantry, for the Mexican war, having
served at Vera Cruz. His regiment was
sent to join the forces of General Win-
dham Scott.

man was headed one of the second
boatloads of soldiers to land at Vera
Cruz. At the siege of Vera Cruz he was
wounded by a cannon ball. After he
had partially recovered he marched with
his company into the captured City of
Mexico, when he received honorable dis-
charge and pension.

In 1848, when the reports of the dis-
covery of gold in California reached New
York, Major Sherman organized an ex-
pedition which crossed Mexico from
Tampico to Mazatlan and arrived in
San Francisco in May, 1849. He came
to the Golden State by way of the
Isthmus of Panama.

CITY CLERK OF SONOMA.
In 1850 Sherman was made city clerk
of Sonoma and in 1855 he was con-
sulting engineer of Sonoma. He was state
controller of Nevada prior to 1862, when
he was attached to the staff of Governor
Stanford, ranking as major. Senator
George C. Perkins is the only surviving
member of Stanford's staff.

In 1872 he married Miss Adeline A.
Dodd and in 1883 he settled in Oakland,
Calif., where he resided for the remainder
of his life. He lived there for
about 42 years.

Major Sherman was the tenth in line
of descent from Sir Henry Sherman, as
were Generals William T. Sherman and
Thomas Sherman. He was a member of
the Associated Veterans of the Mexican
war, secretary of the California Pioneer-
Association, secretary of the Sons of
the American Revolution, founder and
commander of the Lincoln guard and marshal
of the Coast Division of Lincoln's funeral.

AUTHOR OF BOOK.
The aged soldier was the author of
"Fifty Years of Masonry" and many im-
portant Masonic volumes. In 1899, he
was presented with the Masonic grand
cross for his Masonic books.

Major Sherman was the Bible bearer
and the oldest member of the Grand
Lodge of Masons of California and presi-
dent of the Masonic Veterans' Associa-
tion. He was one of the leaders in the
Masonic lodge and was one of its en-
thusiastic and loyal workers. He was a
thirty-third degree Mason and had been
a member of the order for 51 years.

The funeral will probably be held under
the auspices of the Scottish Rite lodge
in Scottish Rite Cathedral Friday after-
noon.

Major Sherman is survived by a widow
and a son, Edwin A. Sherman, an at-
torney at Alhambra.

SCOTT'S JOURNEY TRAGICALLY TOLD

Commander Evans Addresses Audience; Peary Deplores Apathy in America.

NEW YORK, March 18.—Before a
large audience in Carnegie Hall last
night, gathered to hear Commander E.
R. G. Evans, R. N., tell the story
of the tragic journey of Captain Robert
F. Scott and his companions in quest of
the South Pole. Rear Admiral Peary, who
introduced the speaker, deplored the ap-
parent lack of interest in Peary explora-
tions displayed in America.

"As presented," he said, "Shackleton and
Stokely and Mawson for Great
Britain and Koenig for Austria are fit-
ting out expeditions for new assaults on
the great white unknown Antarctic. And
where is the United States in all this
work? Conspicuously, I am sorry to say,
in the past by its absence. This, it
seems to me, is unfortunate."

Rear Admiral Peary spoke with feeling
especially when he made reference to
Scott, his friend, and to Lady Scott, the
widow, whom Peary had met in New
York when she was hurrying across the
continent to catch a New Zealand bound
steamer, expecting to meet her husband
on his return from the Pole.

ARRESTED FOR MURDER DURING CHURCH FUNERAL

MONTREAL, March 18.—The funeral
of a little girl was interrupted today by
a fight incident to the arrest in the
church of St. Vincent de Paul, of a man
charged with murder.

Joseph Beauchamp, knelt during
prayer an officer touched him on the
shoulder and told him he was under
arrest on a charge of being one of three
bandits who recently killed Constable
Bourdon at St. Laurence.

Beauchamp tried to draw a pistol, but
the constable overpowered him.

COMMISSION HAS INITIATIVE POWER

Representative Covington of Maryland Explains Measure Which Is Cause of Talk.

WASHINGTON, March 18.—The
bill creating the interstate trade com-
mission gives to the commission im-
plicit powers of independent initiative,
according to Representative Covington
of Maryland, chairman of the sub-
committee that framed the measure
today. Some Senators have criti-
cized the bill on the ground that it
does not sufficiently preserve the
right of the proposed new body to in-
itiate investigations.

Covington states that analysis of
the bill would show the contrary. He
said:

"The Independent Initiative of the
commission is preserved in every part
of the bill except the single section in
which the commission is made the in-
vestigating agent of the President, the
Attorney-General or either House of
Congress to report to them the facts
found as to alleged violations of the
anti-trust laws."

POWER CONFERRED.
"There is nowhere in the bill any
restriction on the initiative power
which may be constitutionally ex-
ercised by the commission to make in-
vestigations of any sort and to make
public the facts disclosed in its dis-
cretion. In fact, this discretion is sim-
ply to safeguard the public by with-
holding information as discloses such
violations as will warrant prosecution
through the Department of Justice
and when the public might gravely
prejudice the government's case."

Covington also made it clear that
the section of the bill providing for
punishment of persons unlawfully
making public information of the
commission is not intended in any
manner to curb the power of news-
papers to disclose in any way they
please information coming into their
possession.

"That section," he said, "is simply
to punish officials or employees of the
commission who may without author-
ity betray information which happens
to be a proper trade secret or the dis-
closure of which would impede the
government in trust prosecutions."

The bill is the first so-called
administration anti-trust and com-
merce regulation matters to go to the
House.

IMPROVEMENT CLUB TO ACT AS HOST

An entertainment and dance will be
given at the Claremont school audi-
torium Thursday evening, under the
auspices of the Peralta-Claremont Im-

of a get-together nature, and neigh-

of the community are invited to join in
the festivities.

The entertainment will consist of a
reading by Mrs. Frank Browning, as-
sisted by the Misses Browning; vocal
solo by Miss Donna Klaus, violin solo
by Miss Pauline Schlemmer, assisted
by Mrs. Thomas J. Kink, and an ad-
dress by George E. Witter.

SPRINGFIELD, Ill., March 18.—
Marching by the anti-saloon forces,
women in unexpected numbers regis-
tered throughout Illinois for the lo-
cal option elections in April. The
turnout in most municipalities ex-
ceeded optimistic estimates and foes
of the saloon assert the unusual in-
terest of the women will mean a sub-
stantial addition to prohibition terri-
tory in Illinois.
